ABOUT ME

A BSIT graduate with a foundation in web development, front-end programming, and UI/UX design. Skilled in creating functional and user-friendly digital solutions, with experience in multimedia editing such as photo, logo, and video editing. Proficient in tools like Visual Studio Code, Figma, Adobe Photoshop, Filmora, CapCut, and Microsoft Office. A motivated and adaptable individual seeking opportunities to apply technical and creative skills in a real-world IT environment.

EXPERIENCE
